

2022 Canada Summer Games

Team Alberta Daily Highlights

Day 13

August 18, 2022

Legacy in the stands today for Team AB's men's volleyball team at Niagara 2022 Canada Summer Games

NIAGARA REGION, ON – Team Alberta finishes the third day of week 2 at the 2022 Canada Summer Games with an impressive lead up in today's preliminary game versus British Columbia. Adding to today's excitement was a whole volleyball legacy team in the bleachers. The men's volleyball team has grown up playing the sport together as the fathers of Aaron Elser, Mark Edwards, Reeve Gingera, Logan and Mason Greves all played together on Canada's men's national volleyball team. In addition, both Gingera and Greves also played on the men's volleyball team at the 1992 Barcelona Olympic Summer Games. With all this legacy supporting them on the sidelines the men's team won today 3-0 over team BC.

The women's volleyball team followed the men's victory in the preliminary rounds today versus team BC, as they played an impressive game winning with a score of 3-0.

The women's road cycling went off with a bang today as all of Team Alberta's women led the pack in the first laps of the race. In the last lap Team Alberta's Anabelle Thomas (Calgary) broke out and chased down Team Quebec to the finish sweeping the silver medal at the Games. Saturday will be the last event for cycling as they take on the criterium event at Brock University.

Team Alberta's Kristiane Free (Calgary) paddled hard in the women's K-1 200m event today as she finished with a bronze medal for Team Alberta.

Logan Graf (Sylvan Lake) breaks a new low single-round score in Canada Games history as he fired a 7-under-par 65 today on the golf course.

Alberta currently sits in fourth position in the medal standings with 72 medals (25 Gold, 20 Silver and 27 Bronze).

Sports taking place tomorrow Friday, August 19th include:

Canoe/Kayak Qualifications & Finals, Golf Men's individual, Golf Women's individual and Mix Team, Athletics, Sailing, Men's Box Lacrosse (AB vs. NB), Softball (AB vs. ON) and (AB vs. NS).
