## Colours and Logo

The new TEAM ALBERTA logo represents the spirit of Alberta. The A-bolt icon carries the history and tradition forward. The A has a mountainous feel that is representative of the new heights our athletes will reach as they pursue personal excellence. The A carries the feel of coniferous tree tops which are in abundance across Alberta. The lightning bolt descending from the A connects to Alberta's renowned thunderstorms and excitement that is ever present in the air here - Alberta's ubiquitous energy and attitude.

# The Canada Games

Alberta has competed at every Canada Games since the very first Canada Winter Games in 1967 in Quebec City. The Canada Games are the largest national multi-sport event for young athletes, and alternate every two years between summer and winter. Competing athletes are the best in their age group, and represent Canada's next generation of international athletes. It is not uncommon to have athletes appear in a Canada Games, and then compete for Canada in the next Olympic Games. The 2022 Canada Summer Games will mark the 28th edition of the Canada Games.
